

AFSCME LOCAL 517
E-BOARD MEETING MINUTES
January 25, 2010

The meeting was called to order at 11:05 a.m.

1. Negotiations. There was discussion regarding the various committees that have been assembled and how to best approach the next meeting with the County and Mediator. We have been talking to members and getting their feedback on the most important issue.
2. Progressive Dues. A summary was given from those who attended the workshop January 23. It was informative and gave us several ideas on how to approach dues structuring. After the general session, the Locals broke off into rooms and were provided packets. The packets contained payroll information from the employer so the Locals would know the average percentage of dues currently being deducted. Our packet did not contain that information as the County had not yet responded to Council 5's request for the data.

The meeting was adjourned at 11:55 a.m.

Respectfully submitted,

Kathy Cunnien
