

AFSCME LOCAL 517
E-BOARD MEETING MINUTES
February 22, 2010

The meeting was called to order at 11:03 a.m.

1. Progressive Dues. Council 5 finally received payroll information from the county. The figures were plugged into various scenarios and the results given to Judie. Copies were distributed and there was discussion regarding the best option to incorporate. It was decided that a flat percentage would be the easiest method. The next discussion centered on the percentage figure. It was agreed that we need to be cognizant of current economic conditions and keep dues reasonable yet collect enough to cover our business needs. There was a motion to recommend a rate of 1.1% of base pay. M/S/C. The motion will be read at the April meeting, and read again and voted on at the May meeting. Since this is unchartered territory, it was recommended that we conduct a review a year after implementation.

2. Transition. This was Judie's last E-Board Meeting. She expressed her appreciation and thanked everyone for our support. And thank you Judie for all the hard work you've done! You've worked tirelessly and devoted so much of your time over the past several years making our Local better and stronger. We all appreciate you so much!

The meeting was adjourned at 11:58 a.m.

Respectfully submitted,

Kathy Cunnien
